

# IN2WIN

## The simple way to run your next competition

In2Win is an advanced universal mobile app providing a platform to conduct consumer competitions with built in entry mechanics, drawing system and secure data capture and management.

Quickly. Safely. Easily.

## Benefits of In2Win

- ✓ **Secure data capture.** No more entry boxes, SMS charges, compliance management, or expensive microsites
- ✓ **Consumers benefit** from utility apps that make their lives easier
- ✓ **Send push notifications** to In2Win database / promo entrants
- ✓ **Brand engagement** with brand tiles and post entry push to social media, website or content
- ✓ **Mechanic flexibility** with entry process including proof of purchase, game of chance or skill
- ✓ **Government approved drawing** system for major / minor prize draws plus instant win
- ✓ **Winner / T&Cs publishing** on [www.In2Win.club](http://www.In2Win.club)
- ✓ **Live dashboard** with real time data & diagnostics for immediate insights coming soon

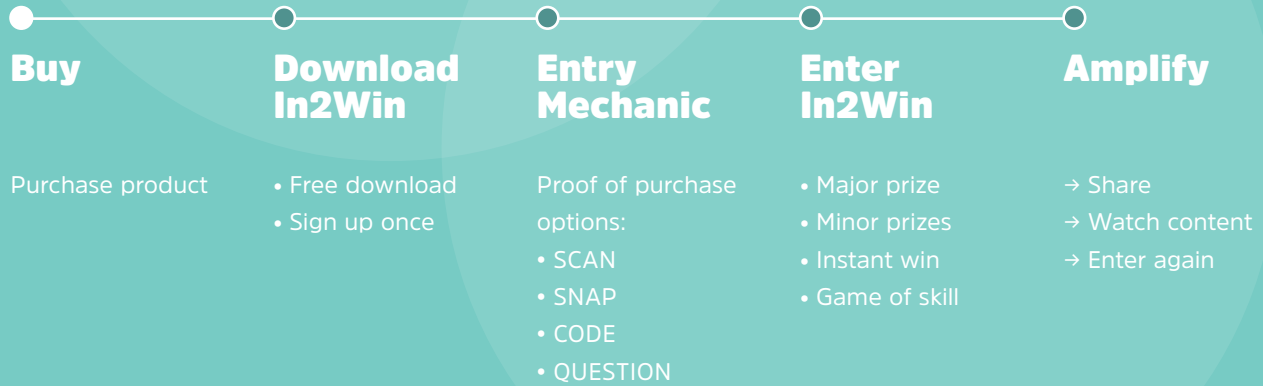

**Weekly data & stats from our dashboard**

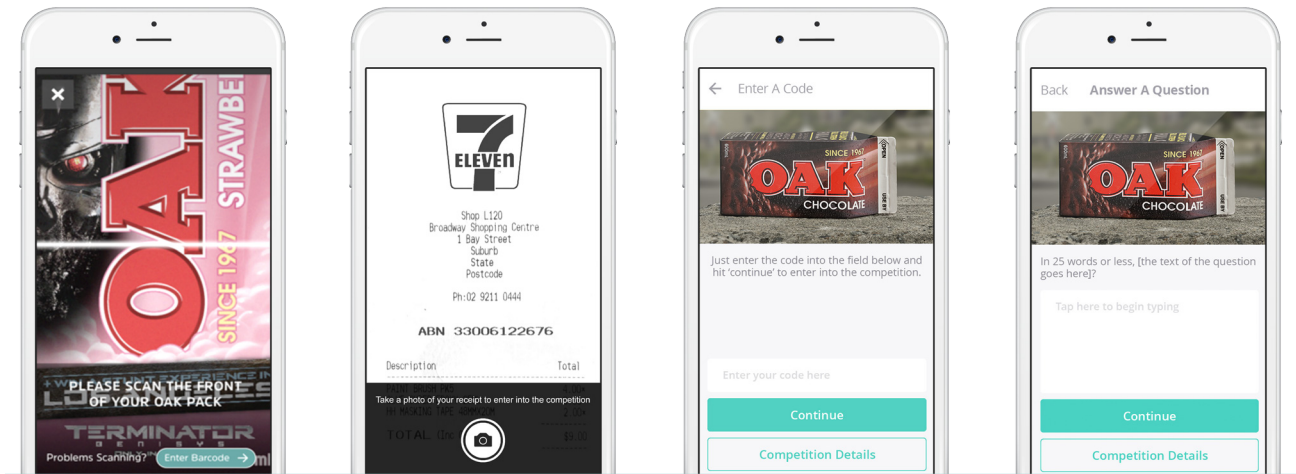

# IN2WIN

## How consumers enter

Simple consumer journey every time
